Objective

Obtain a position with an enthusiastic and diverse IT staff that will allow me to contribute the benefits of my knowledge and 23 years of experience in solving challenges and completing projects, while at the same time providing opportunities to acquire new talents. I am currently offering to work pro bono for an opportunity to hone my RPG coding and AS/400 operational skills.

Employment History

- 2011 – 2013 **Barnes & Noble**
Merchandise Manager
- 2006 – 2011 **Barnes & Noble**
Music Department Manager
- 2004 – 2012 **Target Employee**
2004 – 2006 Target Protection Specialist
2006 – 2006 Entertainment Specialist
2006 – 2012 Assets Protection
- 1995 – 2003 **Independent Contractor**
Consultant/Contractor for various clients in Central/Northern Kentucky and the Cincinnati Ohio area. Completed assignments in the construction, manufacturing, health care and data processing industries.
- 1990 – 1995 **James N. Gray Company**
Lexington, KY
AS/400 System Administrator
Sole support/maintenance for IBM AS/400. Responsibilities included programming, operations, technical support, disaster recovery, PC connectivity, and capacity planning.
Reason for leaving: wished to start my own business.
- 1981 – 1990 **Fruit of the Loom, Inc.**
Bowling Green, KY
Last position held was Systems Analyst. Duties included programming on an IBM Sys/34, IBM Sys/36, as well as

an Amdahl mainframe. Heavily involved in Order Processing and Shipment Management, which also involved extensive travel to manufacturing plants for software/hardware installation and user training.

Reason for leaving: opportunity for greater experience with AS/400.

1980 – 1981

First State Bank

Middlesboro, KY

Programming and operations on an IBM Sys/34.

Reason for leaving: opportunity for growth at FOL.

Education

1986

Western Kentucky University

Bowling Green, KY

Resumed education. Completed 15 hours with 4.0 GPA.

1981

Lincoln Memorial University

Harrogate, TN

Studied accounting in conjunction with bank employment.

1978 – 1980

Carson-Newman College

Jefferson City, TN

3.9 GPA in management and information systems courses.

I have also completed various classes/seminars by IBM and AMA.
